Professional Summary

I am a dedicated and passionate front-end web developer currently interning with IBM SkillBuild. With a strong foundation in HTML, CSS, and JavaScript, I excel in creating responsive and user-friendly web interfaces. My experience includes collaborating with cross-functional teams to design and develop engaging web pages, participating in code reviews, and implementing best practices in web development. I am committed to continuous learning and thrive in dynamic environments where I can apply my problem-solving skills and attention to detail to deliver high-quality results.
